Subject:- Payment of conveyance allowance to the Chief Officer, Nanjangud for the period he maintained a Jutka and a pony instead of a Motor cycle

---

I have the honour to state that payment of an allowance at Rs 25/-p-m to the Chief Officer, Nanjangud Town Municipality for maintaining a motor cycle for purposes of executing functions of the Municipality was sanctioned in G O No L 10391-2/M1 52-42-74 dated 22-4-43 from the date of the resolution of the council i e from 29-8-1942 It is reported that the Chief Officer was maintaining Jutka from 29-8-1942 to 24-12-1942 instead of a motor cycle As deirect-d in the above Government Order a conveyance allowance of Rs 25/- p m was drawn and disbursed to him by the Municipal President from 29-8-1942

The Municipal Council at their meeting held on 31-5-1943 while recording the above Government Order resolved that the Chief Officer might be paid the motor cycle allowance only from the date, he maintained the motor cycle as it was clear from the Government Order that the enhanced rate of conveyance allowance at Rs 25/- p m is payable as motor cycle allowance Consequently the Asst Comptroller while insp cting the accounts of the Nanjangud Municipality has held under objection the payment of the motor cycle allowance for the period during which the Chief Officer had not maintained the motor cycle and disallowed the excess allowance of Rs 15/- drawn by him from 29-8-1942 to 24-12-1942 A copy of the objection is herein enclosed for reference Thex amount held in objection was recover-d from the Chief Officer on 1-3-1944 and credited to Municipal Funds in the first instance

The Municipal Council at their subsequent meeting held on 26-4-1944 have resolved that the conveyance allowance may be paid to the Chief Officer for the period he maintained a Jutka after obtaining sanction from the Deputy Commissioner

The President, however requests that his action in having allowed the payment of allowance at the rate of Rs 25/- per mensem for the period from 29-8-1942 to 24-12-1942 during which he had maintained a jutka and may be approved Maintenance of jutka and pony is equally costly and the work has been managed by the official to the satisfaction of the Municipal Council I therefore request you to be so good as to obtain sanction of Government to waive the objection raised by the Asst Comptroller

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District

3 Conveyance allowance of the Chief Officer - The present Chief Officer, Mr Subbarayappa was granted a conveyance allowance of Rs 10/- in G O No L 466-70/M1 52-42-3 dated 15-7-1942 sanctioning his appointment On his representation that he had to maintain a motor cycle and that the allowance of Rs 10/- was inadequate, the Council resolved in their meeting on 29-8-1942 that he may be recommended an allowance of Rs 25/- per mensem This allowance was sanctioned in G O No L 10391-2/M1 52-42-34 dated 22-4-1943 to have effect from the date of the Council resolution viz ,29-8-1942, as recommended by the Deputy Commissioner who reported that he was stated to be maintaining a motor cycle But the Chief Officer had no motor cycle and certified in his pay bills upto December 1942 that he was maintaining a jutka and a horse It is stated that he has maintained a motor cycle from 24-12-1942 On receipt of the G O of 22-4-43 communicating sanction of the allowance of Rs 25/- the G O was placed before the Council at its meeting on 31-5-1943 when the Council resolved (Resolution No 6) that he was allowed to draw the allowance of Rs 25/- from the date on which he maintained the motor cycle Despite this resolution, allowance at Rs 25/- was drawn from 29-8-1942 and disbursed The President intimated this fact to the Deputy Commissioner, in his letter No Nc 33/42 dated 5-6-43 stating that due to paucity of petrol, the maintenance of a motor cycle need not be insisted upon and that the allowance at the increased rate paid from 29-8-1942 to 24-12-1942 (during which period, a horse and jutka was maintained) may be approved Pending receipt of orders, the allowance should not have been drawn in the face of the clear resolution of the Council that the increased allowance was payable only from the date on which a motor cycle was maintained As the allowance is payable only when a motor cycle is maintained as per the G O and as clearly resolved by the Municipal Council the allowance at this rate was not admissible prior to 24-12-1942, the date from which a motor cycle is said to have been maintained The allowance drawn in excess from 29-8-1942 to 24-12-1942 at Rs 15/- p m should either be recovered or orders of Government obtained to admit the same in audit
